About us

Tecky Notes web technologies is a web solutions company based in Abu Dhabi, UAE. We are a team of young and passionate professionals who have provided its clientele a new definition in the field of web by delivering aesthetic and classy web solutions. Teckynotes is an absolute package for those looking to be distinct from the rest. We believe in being leaders rather than followers. Within a short span of time since we have stepped into the competitive web industry, we have left our traces through our competencies, methodologies and business ethics. 'Realise your digital presence' has always been our motto and therefore with differentiation, innovation and swift customer response we have been able to achieve unparalleled success.

SEO

Search engines [Google, Yahoo, Bing etc.] serve millions of users per day looking for answers th their questions. The majority of search engine users are more likely to click on one of the top 5 suggestions in the results pages. SEO helps you to come in the top positions.

Why SEO?

- **First**
  Optimal exposure for Brand awareness

- **Second**
  3.5 Billion people search in google every day

- **Third**
  Optimal potential for conversion

What we do in SEO ?

- **On page optimisation**
  Optimal exposure for Brand awareness

- **Monthly Reporting**
  Optimal exposure for Brand awareness

- **Off page optimisation**
  Optimal exposure for Brand awareness

- **Analytics**
  Optimal exposure for Brand awareness
